To XXX  
Regarding XX

My name is Erin Slizak, and I am so thrilled to be starting my career as a teacher. I am currently in the final stages of my Bachelor of Education, and I have previously completed a Bachelor of Arts degree with a focus in French and my Professional Cook 2 certification. My certification practicum was in a Kindergarten French immersion class, and I also have practicum experience in grade 5 and 7 classrooms. My teachable subjects are French and Math.

During practicum I learned that my ability to connect with students was my greatest asset and it helped me to understand where they were in their learning. I love working with students and finding new ways to get them excited about content. I enjoy the challenge of figuring out how to help students understand and experience new things.

If you have any questions, please do not hesitate to contact me. I look forward to being in touch and starting my career in the education system.

Sincerely,

Erin Slizak
